

21st Century Community Learning Centers Program

21st CCLC Reviewer Scoring Report – Cohort 10

Applicant Name:	Legacy Youth Foundation
Proposal Ranking:	46
Average Score	98 / 125

Proposal Strengths:

- Strong relationship with APA with a desire to serve their students.
- The strengths of the application are the description of the community and the high needs of the children and families. there is a clear description of needed services for out of school programming for high risk students and their families in this food insecure and economically disadvantaged area of Indianapolis. The evaluation plan is well developed as is the professional development plan, which is key to meeting the program goals and objectives.
- The Youth Legacy Foundation presented a broad proposal for Before & After School programming focused on College & Career Readiness in students grades K-4th . Various sections of the proposal lacked the appropriate detail to warrant full points. Significant points were deducted from the need for project and professional development sections, where information was missing or question was not answered completely. Nonetheless, the program design and program implementation sections were very detailed and comprehensive, as such was awarded full points its exemplary effort.

Proposal Weaknesses:

- Overall does not provide sourced data. Lacking detailed implementation plan and practices. Misalignment between the budget and the narrative. Unsubstantiated expenses. Undeveloped professional development plan. Unsure of validity of evaluator by reviewer.
- There is no mention of available after school programming in this area of Indianapolis. There is also no mention of other non-public entities in this attendance area of the city.
